The Big Busk for Focus Ireland Checklist

- BYOE (Bring Your Own Equipment) - we recommend bringing any equipment you may require for your performance (microphone, speakers, musical instruments).
- We will have an electrical source & extension lead at the venue which you may use at your discretion
- Arrive 15/20 minutes prior to your performance time slot. This will give you plenty of time to check-in with our Focus Ireland event coordinator & set up for your performance!
- Photograph/Video Consent - Complete our disclaimer form prior to attending the event & return it to busk@focusireland.ie

The Big Busk for Focus Ireland Checklist

- Adult supervision - if you are U18 and performing at one of our locations, please be advised that you will require adult supervision!
- We advise keeping your performance family friendly and avoid the use of offensive language and profanity
- You have rehearsed and practiced for this moment so most importantly, enjoy your performance!

Thank you!
