Why We Need Your Support?

Homelessness affects real people; men, women, children, families, young people, elderly, and people with disabilities.

Focus Ireland is driven by the fundamental belief that homelessness is wrong. We work to prevent homelessness and find sustainable long-term solutions to help people leave homelessness forever.

Funds raised from The Next Step will help the many men, women, families & children living in homelessness in Ireland today.

We, in Focus Ireland believe emergency accommodation is no place for a child to be brought up. We need your support to help move families and children out of homeless forever.

What is The Next Step?

- The Next Step is a personal fitness challenge where you have 31 days during the month of May to complete the 42.2Km distance of a marathon.
- You can walk, jog or run this distance. All you need to do is track your progress, finish by the end of May and ask your friends, family or colleagues to sponsor you for the challenge. Whether it takes you 4 hours, 4 days or 4 weeks - you decide the pace and you decide the place!
- Not only will you be getting fit as part of the challenge, but you will be taking **The Next Step** to fight family homelessness and support Focus Irelands work.
- If you are a member of the public, we suggest you aim to raise €250. If you are taking part with your company or organisation, we suggest you set a target of €500.
